

COMMUNITY OPEN HOUSE

Join Dominion, Solvay, and Adger Solar at an open house to discuss two new solar projects in South Carolina. These projects would add zero-carbon solar generation to the power grid and add to South Carolina's energy infrastructure portfolio.

Representatives will be on-site with informational materials and take questions from the public.

WHAT: Community Open House

WHEN: May 23, 6pm-8pm

WHERE: 358 Third Avenue
Courthouse Square
Ridgeland, South Carolina
29936
